Missionaries and Church Leadership working in Regina

Walter & Cindy Selke
Regina, SK
Executive Director

We have been blessed this fall in abundance! The 20th Anniversary of Healing Hearts was a joyful celebration. We personally were blessed by our staff surprising us with guest speaker Pastor Don Wratney (Kansas City, MO) and an engraved silver and glass clock as an acknowledgement of our service with HHM. The 4th Annual HHM staff conference was held at Strasbourg Bible Camp with about 40 in attendance. We packed out the facilities at the camp and enjoyed small prayer groups, "Minute to Win It" and TV Thomas as our keynote speaker. The Lord continues to increase our staff numbers and expand our spheres of influence. God is good, all the time!

Please pray for continued health and safety as we travel; as we consider upgrading our main vehicle.; our spiritual & emotional health as we listen, counsel, encourage & direct our growing staff; Wisdom as we balance administrative & people ministry so we can be fruitful in all areas. Remember our family, too, as we seek to parent adult children and find opportunities to connect as a family.

Our travel itinerary for rest of November:

Nov. 16 ~ Silver Heights Bible Church (Weyburn)

Nov. 30 ~ Crossroads Community Church (Calgary)

Praise:

We are finally getting a new back door. It's been so cold in the winter; so far the snow has kept away so that it is not so cold to change our door.

Prayer:

Please pray for Nick's Chaplaincy job at Regina Correctional Centre which has become very stressful lately due to heavy spiritual attack.

Whitebear Reserve is on the lookout for the perpetrator of the recent rape and murder of a young girl. Please pray for this community.

Please pray for our marriage.

Please pray for our family members that do not know the Lord.

Arlene has been having some health issues, pray for God's healing touch on her body.

We have friends who are struggling with various issues. Pray that God would provide us with wisdom and insight on how to best be a support to them.

Life can get very busy and complicated as we try to balance Wally's full-time job and my full-time ministry. Pray that we would find the balance between work and rest.

Pray that we would take time to be still and allow God to speak into our hearts and that we would be obedient to do what He calls us to do.

This is an 8 hour a week job where he offers a few presentations, open discussion on spiritual issues and is available for one on one visits for those who would like to have them.

Please pray that the inmates seeking answers to spiritual questions and desiring spiritual growth would have genuine and life changing encounters with God.

Pray for Kevin as he is on the HHM youth leadership team. Pray that the leadership of the youth group would be prayerful and diligent in planning and leading the youth group times.

Missionaries - Church Plant in Nipawin

Church Planters

We are so blessed to see what all that the Lord is doing around here both through the mountain tops and the valleys. Our four couple leadership team plus our intern met here yesterday to watch a DVD seminar on the topic of dependency. This is a seminar that Walter Selke gave at our first official HHM conference. Please pray that all of us will grow in our relationship building skills as we learn to love people in a healthier way.

Please pray for our interns, Kirby and Bernie James, as they work with us that God will give them a great year of growth, insight and maturity. That His leading for their future would be clear and that the Lord would use this time to move them both along in their healing journey's.

Please pray for Ken and I that we would be sensitive to the Spirits leading as we seek to follow Him in what He has for us day by day.

We are so thankful to be attending Kerith Retreat Center next week for some R&R since we were 'on' most of the summer and started this new season pretty tired. We are also very thankful for the great attendance to the ladies and men's Bible Studies and for the new directions that the children's ministry will be taking.

Thanks to you all for your prayers.

Bert & Liz Genaille
Nipawin, SK
Church Planters

Over the past few months we have been recuperating from health issues and have been ministering part-time to the elderly and leading worship in our church, as our health allows us. We ask you to join us in prayer as we go back to full-time ministry that the Lord would direct us about the kind of ministry He wants us to be involved in. We are getting older, pray that we would know our boundaries and that we would rest when we need it.

We praise the Lord that Bert's health is improving as he had a real bad chest infection which didn't seem to go away and he had a congestive heart failure at the same time. He is better now and has more energy and even went hunting but didn't kill anything.

We praise the Lord that Liz is improving from her injury this summer as she was unable to walk well; for over a month she was on crutches and then had to use a cane but is now doing much better.

Recently on the Kinistin reserve there was a double suicide. A husband and wife both ended their lives within a week, leaving grief and sadness to the children and families that remained. They had both heard and responded to the gospel at past points in their lives, though the final chapters of their lives were characterized by alcohol and drug abuse.

Please pray for the families and people involved! Mandy and I knew them both well and are still processing these events ourselves. We were able to attend their funerals and display the love of Christ in action.

We continue to see God's faithfulness even in the midst of tragedy. God's call goes out to all men, offering reconciliation. Praise God for his grace offered freely to all!

We would covet your continued prayer for Sophia, as we are still on a journey with her health. Her seizures are under control for now but we are searching for a reason why they started. God has been gracious and has been with us through this and we know that will not change.

Pray for knowledge in our ministry, we continually face new challenges and we don't always have an answer for them. The Lord knows what we need to do so we ask that you would help us pray that we would rely on Him.

Praise and prayer for our finances. God has been bringing people to join our 'team' for which we are extremely grateful. However, we are not yet where we need to be.

Pray we would know how to balance time with our kids, each other, and time working.

*Relationship Ministry through
Jacob Bear Community Church*

We want to give all glory to God! We are grateful to Him for the opportunities to raise our arms to the heavens in thanks and praise for absolutely every good thing and the gift to rest in His Word for dealing with all the hard stuff. Above all else, we are so grateful for His extensive Grace and Mercy when we feel fear of and in the world and His gentle hand reminding us He had promised to never leave us. We give Praise for being branded by Christ. He saved us, healed us and set us free!

We ask for you to pray alongside us for those who've heard the Gospel and not taken the opportunity to accept Jesus Christ as their Lord and Savior, and be able to see the Way, the Truth and the Life. We ask for prayers for our Jacob Bear Community Church and that our congregation and leadership modeling and teaching calls out to the broken and outsider's that Jesus attracted. Pray the people's lives in our Church and especially Dick and I in our Relationship Ministry within the Church, calls out an invitation to the oppressed and marginal and has the effect Jesus had so we might know we are truly following His purpose rightly.

David & Elizabeth

Big Valley, AB
Métis Ministry

David: Please pray for our chaplaincy ministry at Stettler and Big Valley, AB. PTL, I was invited to preach at a "Reformation Day" service at Innisfail, AB, in October. I will also be preaching at Remembrance Day services at the Mirror Christian School, Alix Mac School and the Mirror Legion on November 11.

Elizabeth and I continue to work with our seniors at Stettler. We provide a monthly Bible Study on the first Sunday of each month.

Finally, I received a request from the President of a national Metis organization to perform a wedding for a Metis couple at next year's Back To Batoche Days. This is the largest gathering of Metis people in Canada.

Soon it will be time to start planning for our Metis church service at Big Valley in July. This year our church service was well attended and we received very positive feedback. To God Be The Glory!

Elizabeth: Please pray for me at work. Many of my co-workers are much younger than I am and are into the party lifestyle. I would like to be a witness to them without being too preachy. Please pray for a young man named T***** and a young woman named C**. He is a Mormon and she is into the Wiccan religion. There is much interest in the occult in our area and so Halloween is very busy here at Wal-Mart. Please pray for me that I will have a strong covering of the Lord's protection and anointing.
